EDUCATION

- Priyadarshini College of Engineering, Nagpur
B.Tech in Information Technology(Pursuing) **2023 - 2026**
Percentage: 76.19%
- Government Polytechnic, Arvi
Diploma (MSBTE) in Computer Eng. **2020- 2023**
Percentage: 81.09%
- Pardi High-School, Pardi
X (Maharashtra board) **2019- 2020**
Percentage: 82.20%

PROJECTS

Project 1 – Facial-Vibe Detector:

Technologies: Python | DL | ML | GitHub

Description: Developed a real-time Face Emotion and Recognition Detection System using Deep Learning, leveraging CNN models, OpenCV, and ML for enhanced security and human-computer interaction.

Project 2 –RealEstate:

Technologies: HTML | CSS | JS | GitHub

Description: Developed a responsive real estate portal with property listing management, location-based filtering, and an intuitive interface for seamless transactions.

Project 3 –AudioBook:

Technologies: Python | GitHub

Description: Developed a Python audiobook converter with a user-friendly Tkinter GUI, enabling text input or file upload and converting text to speech using pyttsx3. Includes functionality to save audio output, showcasing skills in Python, GUI design, and text-to-speech integration.

EXPERIENCE

Web Developer Intern:

IDEVIFY SOLUTION pvt ltd

WebDeveloper and Developing/maintaining websites using web technologies.

Jan 2024-April 2024

Nagpur,India

Python Developer Intern:

iBase Electrosoft pvt ltd

Python and Developing/maintaining Projects using web technologies.

July 2022-Aug 2022

Amravati,India

SKILLS

Programming & Development: ReactJS, NextJS, JavaScript, HTML5, CSS3, Python, TailwindCSS , MongoDB, NodeJS, ExpressJS, MySql

Technologies & Tools: Linux, Git, GitHub

Competitive Programming & Problem Solving: Java, Data Structures and Algorithms

ACCOMPLISHMENT

- Represented as a young scientist at IISF Kolkata 2019
- Secured 2nd position at PCE Information Technology Department Hackathon
- Participated in National Level Hackathon TECHSHASTRA Organized by S.B. Jain College of Engineering, Nagpur
- Achieved 1st rank in my class during the 4th Semester
- Participated in SIH Hackathon 2024

CERTIFICATIONS

- Full Stack Web Development Course
- DSA Foundational Course Entry-Level
- Java [HackerRank]
- GFG 160 Days DSA Coding Challenge
